

How to access your warning and error messages from EMSTARS CDX

- 1) Login into EMSTARS-CDX
- 2) Go to Tab – Records Exchange
- 3) Set the data range and Click on “Search”
- 4) Scroll down page to find your file.
- 5) If the “Failure” column = “0% (0)”, then your file was processed and accepted.
- 6) To see your warnings and errors, Click on the “Accept Rate” column.
